OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit challenging the legality of his arrest and the representation he received from his court-appointed lawyer. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed with prejudice, except for those claims challenging the fundamental legality of his 2013 convictions, which the magistrate judge recommends be dismissed without prejudice. There are no objections to the recommendation. After an independent and de novo

review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 24th day of February, 2017.

UNITED STATES DISTRICT JUDGE
